The Industrial Application of Gas Turbines (IAGT) Committee is a Technical Advisory Group to Canadian industry and government. It provides a forum for the exchange and dissemination of ideas and the communication of new developments related to the industrial application of gas turbines in Canada.

The vehicle for communication is a biennial technical symposium for the presentation of technical papers and expert panel discussions. Sectors of industry involved include research and development, application, performance, operation, maintenance and user experience.

Technical Sessions and Course Modules in:
Fuel Combustion and Emissions
Cogen, Gasification and Power Applications
Reliability and Applications in Oil and Gas

For further information on the 2009 IAGT Symposium or to be placed on the IAGT mailing list call: (905) 436-0375, email: help@canavents.com or visit: www.IAGTcommittee.com

We hope you can join us at the 18th IAGT Symposium Oct. 19 - 21, 2009 in Banff, AB
Monday, October 19th, 2009

Registration and Breakfast

Welcome
Manfred Klein, National Research Council,
Chair, IAG 2009 Symposium

Keynote - Role of Natural Gas
Michael Cleland, Canadian Gas Association

Training Session #1: Gas Turbine Basics
Jim Noordermeer,
Gryphon International Engineering Services Inc.

Refreshments

Training Session #2:
Combustion Issues in Gas Turbines
Wajid Chishty, National Research Council
Manfred Klein, National Research Council

Lunch

Fuel Combustion and Emissions
Chair: Lawrence Kaempffer, SIEMENS Power Generation

Paper Presentations

Refreshments

Paper Presentations Continued

Reception and Poster Presentations

Tuesday, October 20th, 2009

Registration and Breakfast

Keynote - Gasification and Polygeneration
Duke du Plessis, Alberta Energy Research Institute

Training Session #3: Cogeneration and Combined Cycles
Jim Noordermeer,
Gryphon International Engineering Services Inc.

Refreshments

Wednesday, October 21st, 2009

Registration and Breakfast

Keynote Speaker
Sheila Leggett, National Energy Board

Training Session #6:
Cold Weather Compressor Design and Operation
Presented by TransCanada

Refreshments and Posters

Roundtable on Operations and Maintenance
Presented by TransCanada and Solar Turbines

Reliability and Applications in Oil and Gas
Chair: Chris Gilmour, Shell Canada Limited

Paper Presentations

Lunch and Poster Presentations

Paper Presentations Continued

Closing Remarks and Prize Draw
Registration Form

Complete this registration form and fax to us at: (905) 436-0892; or mail with payment to: IAGT, 1421 Nash Road, Courtice ON L1E2J9

OR Register online (Click Here)
